

Please note that (except for Sundays) it might get difficult to arrive by car before 3 p.m. due to the market. Should you use a GPS, please enter the street “Auf der Zinnen” as destination and follow our directions afterwards. This is because our hotel is located in a pedestrian zone and your GPS won’t be able to identify the correct way to our hotel.

Coming from the motorway

- motoway exit “Freiburg Mitte” - direction “Stadtmitte”
- follow the signs for the “Altstadt” (old town). At the third junction these will tell you to turn left across the “Schwabentor” Bridge and onto the “Schlossberggring” town ring road.

to the hotel building (Schusterstraße, where our garage is located) from „Schwabentor“

- Get into the left lane going straight ahead and drive around the town centre (approx. 0,8 km) until you see a pedestrian bridge, which runs diagonally across junction. Turn left here, and left again after 150 m into the Conrad-Gröber-Straße (initially difficult to spot).

From here drive into the pedestrian zone (permissible as our guest) through the passage adjacent to the department store “KARSTADT” and then straight across Münster square (cathedral’s place) towards the department store “GALERIA KAUFHOF”.

Turn left before “GALERIA KAUFHOF” and after 80 m you will find yourself in front of our guesthouse at Schusterstraße 11. This is where our garage for guests is located. (Parking space by reservation only)

to the restaurant in the main building from „Schwabentor“
